Here comes the summer!

So, the first glimpse of summer rapidly vanished! Hey ho, at least we had 3 gorgeous days!

It's been yet another exciting week at school. On Wednesday we had a visit from the RNLI life-guards, who held a super assembly on Beach Safety. Now all of our children understand the beach flag system and what to do if they get into trouble in the sea.

Yesterday, our football team played brilliantly at the local cluster tournament. Runners up to Wadebridge. We are incredibly proud of all the children who participated, not only for their footballing achievement but also for the manner in which they played. Always excellent sports and encouraging of opponents.

Finally, I would like to say there is a letter which is coming home tonight in satchel post, I am genuinely sorry for the upset that this may cause to the children and possibly yourselves, but I hope that you can understand my reasons for this decision.

Once again, many thanks for your continued support.

Mr H

Bi-athlon beauts!

We were once again delighted to send some of our students to the Biathlon at Truro School last Friday.

Sadly some of our team were unable to attend last minute, but we were represented beautifully by Daisy Lane & Mali Harbour, who as always represented the school brilliantly. Well done girls. Thanks to Rossi for accompanying the girls to make attendance at this event possible for our children!

Flipping Fantastic!

On Thursday, we took a team of budding Ronaldo's to the Camel Challenge Football Tournament at Wadebridge Primary.

The team did brilliantly coming 2nd overall. They played some totally blinding football and really nailed their matches, smashing St Issey 6-1!!

What a team! Well done to all, great work!

Once again we are in need of some help.

We have so many super volunteers in school and just need some support to hear children read, particularly in KS2.

If you are already DBS'd and can spare an hour a week or indeed if you would like to become a volunteer, please let the office know.

Out & About with Class 2

The children had a great time visiting the Eden Project on Monday and enjoyed their 'Building in Brazil' workshop. The children made interesting comparisons between Brazil and the UK and explored the Rainforest biome to find out what it's like inside a rainforest.

The children enjoyed designing and building a rainforest shelter for those 'Renowned Rainforest Explorers!' Copacabana Ken and Bahia Barbie. They were given a small lump of clay, 6 sticks, a tray of sand and a bag of bling to make their shelter. Please take a look at the photos below to see how they got on.

Once again a little reminder about site safety. Please travel around our school site carefully. Please **DO NOT** use your mobile phone whilst driving, it is after all, illegal for a reason.

Also if you clip another car which is parked, please could you come into the office to tell us! Staff are a little disappointed to come out of work to dented and scratched vehicles. It's just a little bit of courtesy!

We have a lot of traffic on the site at certain times, so we need to be aware of everyone around us and behave with courtesy & care.

We really don't want there to be a preventable accident of any kind.

All of those parents who have a child about to go on a class residential, please ensure the balance of your trip is settled asap, ideally **before May Bank Holiday weekend (5-7th May)**. Thanks to all those who have made their payments this week. Any problems please contact the office.
