# Remember, remember...

Is it me, or are the years passing faster?! Here we are again at our Firework Night celebration. Gates will open at 5:45pm, with the fireworks being lit at approximately 6:30pm. On the gate tickets cost £3 per person, pre school aged children are free. Parking is limited on the school site, so we advise coming early rather than late!

Once again please can we request that **NO SPARKLERS** are brought onto the school site.

There will be plenty of hot and cold food and drinks on sale throughout the evening.

This promises to be a lovely evening once again and we look forward to a bumper crowd.

Once again it was lovely to see members of our choir performing beautifully on Doc Martin this week. Well done to our own special star Mrs Maynard for organising this for the children, I'm glad you got a starring role!

# Can you help?

Would anyone out there be prepared to give a bit of time each week to hear the children read?

It doesn't need to be arduous and any time you give can be to suit your own diary, we are very flexible!

It really has a massive positive effect on children's progress with reading if they can read every day. Coming in to help our children also involves our parents and other family members in our school community, which is something we have always been keen to welcome and encourage.

If you have any time that you can give to come and hear our delightful children read, please pop into the office so that we can organise a DBS check for you. If you are already on our volunteer register and would like to help please contact Lisa Cray (year 1) or Liz Hall in the office to make arrangements.
