# Sun, sun, sun... here it comes!

Dare I say it, but I feel summer may just be around the corner!! I'm glad I still haven't packed away the shorts and t-shirts for the winter! Bring it on!

And what better way to start the weekend than by joining us back at school **tonight** from **6pm** for a little jaunt across the countryside to The Point and back again!

Nothing too strenuous, just a gentle stroll with friends...old and hopefully, new! Our **Wonderful Welly Walk** is a lovely way to while away a couple of hours in the Autumn Sun. I promise it's much better than The One Show or EastEnders! £2/child which includes refreshments for the children! See you there!

I'd like to say congratulations to our Surf Team who participated in the Aspire Surf competition at Polzeath yesterday! Such talent and Mr Gill informs me that they won in many of the categories. Well done to them.

Finally, what can one say, other than we have true stars in the making! The show we all love to watch, but pretend we don't—Doc Martin, saw cameo appearances from our current year 5 this week! It was lovely to see our children, obviously enjoying themselves as extras, and a special mention for Ellie, who had a small speaking part...a star is born! That said, if the other actors on the show ever need an accent coach...I'm their man!!! In future shows there will be more opportunities to spot children from St Minver!

Enjoy the weekend, plan the barbecue and have a great time!

Mr Howard

# Uniform!

through "Vivienne's" in Wadebridge.

We have decided that we will no longer be stocking and selling uniform in school. We have considered numerous options with local suppliers and decided that the most cost efficient and user friendly supplier for all of our uniform will be

In the current economic climate, stocking such a vast quantity of sizes in all items of uniform just is not viable. We will of course hold a couple of items for emergency uniform situations. Once our stocks are transferred over to Vivienne's the items will be removed from Parent Pay. Please bear in mind that this doesn't alter the uniform standards that we expect all of our children to comply with, and on that note, **please remember hoodies are for PE only and should not be worn to replace the royal blue school jumper**. If you have any queries on this, please pop into the office.

Some people don't seem to be receiving text messages reliably. The best way to ensure all correspondence reaches you is to download the "eschools" app onto your phone or tablet and that way you'll never miss a message or newsletter! Please pop into the office if you have lost your username and password information. This also means all of our messages reach you free of charge rather than the school being charged for hundreds of texts! **EVERYONE'S A WINNER!**

Well, the first sports event of the year saw a St Minver victory down on Polzeath beach with a team of 6 surfers taking part in the Wadebridge Cluster of schools Surf event. Superb surfing by all of the team and the sun even shone!

Come and see all that Wadebridge School has to offer - academic success and a caring and happy learning environment.

We look forward to meeting you and supporting your son or daughter as they move into this next stage of their school life.

After yesterday's text, yet another plea for careful use of our school site. A car was clipped in the car park, the driver did not stop to acknowledge the damage to another persons' property and one parent was left a little cross and frustrated. If you hit a car out and about on the roads, surely you stop, exchange details etc etc, you show respect and courtesy for the situation. Let's be thankful that it wasn't a child on this occasion and **PLEASE TRY TO USE OUR SCHOOL SITE SAFELY AND POLITELY!**
