

15th September 2017

Your children are amazing and have continued to settle into school life brilliantly! We are looking forward to next week when they will be in school all day. Please collect your children at 3pm from Monday 18th September onwards.

Memory Folders The children have really enjoyed sharing their summer holiday news with us. They are each choosing one thing from their folder to add to our 'News from Around the World' display. Thank you for all of your support in helping the children fill these folders up!

All About Me We have been talking about our bodies and finding out what our skeletons are. The children have talked about the sorts of food we can eat to help our bones become strong. The children have had fun making skeletons and singing songs about our bodies. In maths we have been counting forwards and backwards and recognising and ordering numbers.

Reading will start next week. Please read the accompanying letter regarding this.

Christmas Cards Already?! I hear you say... I'm afraid so. We send off the children's work so that it can be made into cards for you to buy. The deadline is the end of September so we will be busy making them in school next week.

PPA All teachers have designated time for Planning, Preparation and Assessment. My PPA time is on a Friday afternoon. The class will be taught by Mrs Broad during my PPA.

Cooking We are going to be cooking in school as much as possible. Next week we will make flap-jacks with porridge oats, brown sugar, butter and golden syrup. Please see me if your child should not be touching or eating any of these ingredients.

Paperless In our bid to help save our planet we will try to send home letters in a paperless fashion. Class R weekly letters will always be added to our school website page under 'Class R'. The letters will also be sent to you via eschools/email. Please check your 'junk' folder for last week's Class R letter. These letters are different to the whole school newsletter and do provide useful information relating to Class R.

Show and Tell will be on a Friday afternoon. The children are invited to bring a small item in to share with the whole class. Please can the item they bring in be related to our current learning topic: All About Me - Our Bodies.

Have a lovely weekend.

With best wishes,

Alicia Warren
