

Friday 9th February 2018

This week we were wonderfully interrupted by the snow! It was fantastic to share this experience with the children (a first for many of them) and who knows when we will get snow again?! Aside from being hugely excited and distracted by the snow we have also been exploring materials and finding out how to keep ice cold! We have also worked hard on using our 'part part whole' method in maths to find different ways of making 10.

Letters and Sounds We have been learning the digraphs 'oo', 'ar' and 'or' and learning to read and spell the tricky words 'look', 'for' and 'too'.

After half term we will be taking part in and learning about a variety of celebrations such as; Chinese New Year, World Book Day, Mothers' Day, St Piran's Day, the start of Spring, St Minver Music Concert and Easter. It will certainly prove to be another busy 6 weeks so enjoy the half term break!

Spellings Please see the attached letter regarding 'spelling tests' after half term. Use the letter formation sheet as a guide to help your children to practise forming the letters correctly.

No weekly challenge this week other than to have a brilliant week together at home (or away). Don't forget to celebrate Pancake Day! A good book to share at this time is 'Mr Wolf's Pancakes' by Jan Fearnley

Parent meetings are on Tuesday 20th February. This is a chance for you to have a look through your child's learning journey and have a quick meeting with me to discuss how your child is progressing. The meetings will run from 1pm-6pm so please book a slot via the eschools app or website. If you can't make it then please pop in to see me.

Thank you as always for the support that you give us and to your children. We really can see when you have been working with them at home; it gives your child more confidence and an even greater chance of success.

With best wishes,

Alicia Warren
