

Newsletter 6th July 2018

www.facebook.com/

We're nearly there!

2 weeks and counting! This has been another tremendous week at school. Year 3 had a fabulous day at Trerice Manor—being Tudors! Great fun and great costumes! Our Year 6 children moved up to Wadebridge School on their transition week. New beginnings and new friends! All other classes enjoyed a day with their new teachers on Tuesday and that should settle any nerves about next year. All in all another packed week. Next week we will enjoy our end of year Class R assembly on Tuesday and then onto the eagerly anticipated leavers' play 'FLO WHITE!' Don't miss it, it's a real corker!!!

Have a great weekend and remember,

'Football's coming home!!'

Mr H!

Dates

6/7/18—Movie Night Fundraiser

10/7/18—Class R Assembly

11/7/18—Yr2 Recycling Centre Trip

4/9/18—School Closed inset Day

5/9/18—First Day Autumn Term

We will be on week 3 of the dinner menu next week.

Out & About with Class 3!

On Wednesday Class 3 enjoyed a brilliant day out at Trerice. They learnt about what it was like to live and play during the Tudor times. They tried on armoury, played Cornish caying and slap cock and played with Tudor toys.

They enjoyed exploring the maze and making brass rubbings and creating a Tudor Shawm.

Thanks to all of the helpers who made this trip possible.

Children's activities . Car Boot

Charity number 1059822 Ofsted number EY416651

If any of our families are concerned about a plan to manage transporting their children, in light of the removal of our bus service by Cornwall Council; some parents are interested in getting together to hopefully come up with some possible solutions.

Please email liz.hall@stminver.org and I will arrange a way for you to all communicate as a group.

If you are in a position to offer help to other parents, by way of a lift share or something similar please also contact Liz, so the group can involve you in their discussions.

This Saturday the brilliant team from Polzeath Marine Conservation will be unveiling another free water station, this time at Rock beach. If anyone would like to pop down to support this event, it starts at 10.30am, so it won't clash with any footie fixtures!!

Refreshments are available courtesy of Sharps Brewery.

A plea...

We communicate with our families in many different ways and this newsletter is a vital way to share with you things that have happened in school but to also pass on important information. Please, please take a few minutes to read it, particularly dates and important information for forthcoming events.

- The term dates are clearly shown on the newsletter as well as on the school website and if you are ever in any doubt, just call the office or email liz.hall@stminver.org
- The start and end of the school day seems to have become a little too flexible, our school days starts at 8.55am all year round, we have numerous children arriving as late as 9.15am, please can we all have a big push to bring children in on time please. The end of the school day finishes at 3pm for Year R and Yr 1 and at 3.15pm for Years 2-6, we are having to deal with a huge number of children who are still here at 3.30pm, even 3.45pm! The children are often tired and need to get home for their down/leisure time, whatever that may be, sitting waiting for extended periods causes a child a degree of anxiety on top of being tired after a busy day at school. From a logistical perspective, staff often have meetings and appointments after school as well as their own family responsibilities, so can not hold onto children for extended periods on a regular basis.

- Clubs have indeed finished for this term now, **all except art (last session Tues next week instead of Monday) and Slime (last session Friday 13/7).** Knit & stitcher's will finish their project at lunchtimes as usual.

- Please keep an eye out for text messages as this is a quick way to get messages to large numbers of people. If you are not receiving texts or emails containing newsletters, please see Liz in the office so we can ensure we have the correct details on the system.
