In safe hands!

Another glorious week! I think we're all getting quite used to this now!

Thank you to all those who attended yesterday's Meet and Greet with Mrs Rodwell and Mrs Cox. I understand it was well attended and hopefully now you can all appreciate that St Minver School is going to be in very safe hands. These are exciting times for the school and with 2 exceptionally experienced and talented school leaders at the helm I know your children are going to have the most wonderful education and experiences.

Speaking of which, Year 5 have had a truly amazing time in Bristol this week. As always this is a huge undertaking for all the staff concerned and I would like to thank Mrs Maynard and her dedicated team for creating a superb experience for the children, who now have a memory for life! Great work Year 5!

It's hard to believe we're already at half term! How on earth did that happen?! Let's be honest, it's been quite a half term for the school and myself personally. However I know, just by scanning the school diary, that the next half term will simply fly and we'll all be relaxing in the balmy summer, that we're constantly promised!

Have a great half term everyone!

Mr H!

A few reminders for our parents—

- The school day starts at 8.55am and ends at 3pm (Yr R & Yr 1) and 3.15 (Yr2 -6)
- If your child is going to absent due to an appointment please let the office know beforehand
- If your child is absent due to ill health, please call the office to confirm why they will not be attending school
- If your child suffers any type of upset stomach, diarrhoea or vomiting, they must be kept at home for 48 hours after the last episode to reduce the risk of a bug spreading to others
- Please park courteously, there seems to be a lot of cars parking on the roundabout when there are numerous spaces available in the carpark, parking on the roundabout really is a last resort.

Well done to all who took part and thanks to all those who organised and supported the event to make our attendance possible.

Don't forget that class photos are being taken on the first day back, Monday 4th June. Please ensure all children are dressed in the correct uniform and smartly turned out!

Out & About with Class 5!

This week, saw Class 5 heading off to Bristol on the first of our planned residential trips for KS2.

They have enjoyed a brilliant trip including sailing on The Matthew, a challenging but fun wall climb activity, a visit and Minibeast workshop at Bristol Zoo, a guided tour of The Clifton Suspension Bridge, a delicious evening meal in Wagamama's, all finished off with a great workshop about Brunel at the SS Great Britain.

As always, the children conducted themselves beautifully and have thoroughly enjoyed the trip. A huge thank you to all adults who ran the trip too. What a great 3 days away!
