## Autumn 1 Week 1

### Head of School Message

It has been so lovely to welcome the children back into school after the summer holidays! We hope that you have enjoyed some sunshine and special time together over the past few weeks. It is wonderful to see the children looking so smart in their school uniforms and ready to dive back into their learning, while also enjoying time catching up with the adults in school and their friends.

The first half of the autumn term promises to be fun-filled and action-packed, with lots of settling back in to do, visits out to look forward to, and visitors to welcome into school. As always, the staff have been working incredibly hard to plan enriching and exciting learning opportunities, and our overarching curriculum question of "Why is St Minver so special?" is one that, in so many ways, is easy to answer! We are excited to be working both within our school community and out in our wider local community to explore the history and geography of our wonderful area. We are so fortunate to be in such an incredible location, and we are very proud of our fabulous school at the heart of this fabulous community.

Have a lovely weekend, and I look forward to catching up with you all over the coming weeks.

Warm regards,

Mrs Warren

### In assembly this week...

This week, we welcomed each other back to school and reflected on our school value of community. This links beautifully with our whole-school theme and our overarching question: "Why is St Minver so special?"

We reminded ourselves of the important role each of us plays in our school community, and how we can support one another to grow and learn. We also thought about our cognitive load—making sure we have enough brain space to take in new information and recall what we already know. As part of this, we revisited a couple of our key school rules: Ready, Respectful, and Safe.
