## Autumn 1 Week 2

### Head of School Message

I have been so impressed with how well the children have settled back into school and how they have all embraced new classrooms, new teachers and new children. When I pop into lessons I can see curious learners and children who collaborate well with each other. We are very proud of all the children for a fantastic start to the new academic year!

The weather, however, has had alternative ideas and we have been caught out in the rain many times throughout the week! Please ensure the children have their coats with them each day so that they can enjoy as much time outside as possible.

Don't forget that school clubs are bookable on Arbor from 6pm this evening. We aim to provide a range of clubs throughout the year for different year groups so please get in contact if you are able to support us in giving our children some more exciting opportunities.

Have a lovely weekend when it arrives!

Warm regards,  
Mrs Warren

### In assembly this week...

We have been thinking about how we can contribute to a positive, safe and happy school community. The 'window of tolerance' is a concept that helps us to understand and describe how we can all function at our best. If we are within our window then we feel calm, focused and in control. This is the best place for us to be so that we can manage our feelings, respond to challenges, get on well with our friends and learn. Our first challenge when learning about this new idea is to think about how we feel and how big our windows are!
