## Autumn 1 Week 3

### Head of School Message

It's been a busy and lovely week in school as the children continue to settle into the rhythm of the term, showing great focus and enthusiasm in their learning. We were pleased to welcome parents to our Reception Class reading information session and grateful to those who attended the first PTA meeting of the year. Your support makes a real difference, and we'd love to see even more of you at future events as we work together to enrich school life for all our children.

Next week promises to be full of exciting experiences for our children. Our Year 5 and 6 pupils will be heading to the Royal Cornwall Showground for a range of activities, while Year 5 will also be visiting Bodmin for a life skills event. Meanwhile, plans are underway for Reception, KS1, and KS2 classes to enjoy a visit to Porthilly Beach in the coming weeks. We're committed to making the most of the wonderful opportunities available to us, both in and beyond the classroom.

Have a lovely weekend when it arrives!

Warm regards,  
Mrs Warren

### In assembly this week...

This week, we reflected on the important role each of us plays in making our school a place where everyone feels happy, safe, and able to thrive. A special moment was the awarding of badges to our Year 6 prefects, who have now officially begun their roles as ambassadors for our school. These young leaders will help set a positive example and contribute to making our school a truly fabulous place to be!

#### Sporting Achievements Assembly – Tuesday 23rd September

Mr Gill will be leading our Achievements Assembly next Tuesday, celebrating the sporting successes of our pupils.

If your child has taken part in any sporting events recently, please send in photos to [hello@stminver.org](mailto:hello@stminver.org). Also, make sure they bring any medals, certificates, or trophies into school on Tuesday so they can proudly share their achievements with the rest of the school.

Thank you for helping us celebrate their hard work and dedication!

#### Class WhatsApp Groups – Parent Representatives Needed

We're keen to support class WhatsApp groups as a way to share important updates from school and the PTA. For these groups to run smoothly, we need a parent representative for each class to act as the point of contact.

If you're willing to take on this role for your child's class, please contact Sarah in the school office.

Thank you for your support!
