

BAD HABITS

Every time I come around, I always do things wrong
Every time the sun goes down, I need to sing this song
I can feel the audience – I think they think I'm dumb
But tonight I'm gonna prove them wrong

My bad habits are not that bad, please get a grip
Just because I snore - doesn't mean that I am a drip
Every now and then I suffer with a little wind
I got nothin' I can do, it's true, it's true

My bad habits are not that bad, what will it take?
I know I always lose control of the things that I say
Now, I'm lookin' for a way out, but I can't escape
Nothing's happening to you, it's true
It's true, my bad habits aren't for you

Ooh-ooh, ooh-ooh
My bad habits aren't for you
Ooh-ooh, ooh-ooh
My bad habits aren't for you

*Every pure intention ends when my words come out
Fallin' over what I say 'cause I don't think about
Anything I do I know I'll always mess things up
But tonight I'm gonna prove them wrong*

My bad habits are not that bad, please get a grip
Just because I snore - doesn't mean that I am a drip
Every now and then I suffer with a little wind
I got nothin' I can do, it's true, it's true

My bad habits are not that bad, what will it take?
I know I always lose control of the things that I say
Now, I'm lookin' for a way out, but I can't escape
Nothing's happening to you, it's true
It's true, my bad habits aren't for you

Ooh-ooh, ooh-ooh
My bad habits aren't for you
Ooh-ooh, ooh-ooh

*We took the long way 'round
And burned 'til the fun ran out, now*

My bad habits are not that bad, please get a grip
Just because I snore - doesn't mean that I am a drip
Every now and then I suffer with a little wind
I got nothin' I can do, it's true, it's true

My bad habits are not that bad, what will it take?
I know I always lose control of the things that I say
Now, I'm lookin' for a way out, but I can't escape
Nothing's happening to you, it's true
It's true, my bad habits aren't for you

Ooh-ooh, ooh-ooh
My bad habits aren't for you
Ooh-ooh, ooh-ooh
My bad habits aren't for you
