

St Minver School

Head of School: Mrs J Rodwell

Monday 24th January 2022

This week we are continuing to work on our class text 'The Marvellous Moon Map'. The children have described the characters, the setting, and the map. Now we will think about what Mouse might need to take with him on his adventure to the moon. We will write lists using our phonic knowledge; what would be useful if you were going to the moon? The children will also be encouraged to write shopping lists in the home corner.

For our DT project we will draw and label our designs and write a resources list. I wonder what we will be needing?!

We are looking forward to our little adventure to Porthilly on Thursday. Please ensure the children are wearing appropriate footwear and have a raincoat with them too. If the weather is too bad, we will rearrange.

Phonics This week we will be learning to read and spell words containing the following digraphs: ur (as in fur), ow (as in cow), oi (as in soil) and ear as in (hear). We will learn the tricky words: my, by, all.

Maths this week we will be learning about the smaller numbers that are added together to make 6, 7 and 8. We will represent this on a 10s frame.

As always I will keep you updated in our weekly class letters, through our class page on our school website and photos on Facebook. Don't hesitate to pop in to see me if you have any queries or concerns.

Many thanks,

Mrs A Warren
