St Minver School

Head of School: Mrs J Rodwell

This week we will be sticking to our usual routines of phonics, reading and maths. The children have been talking about their favourite stories in school and this week it would be great if they could bring in a favourite book from home to share with us. We will be preparing for Sports Day and starting to learn some bits for our class assembly. We will also welcome our younger children again to help them to prepare for starting school in September. And finally, if the children can bring in a baby photo of themselves then that would be brilliant.

Please remember to pop in to see me if you have any queries or concerns.

Kind regards,

Mrs A Warren
