

St Minver School

Head of School: Mrs J Rodwell

Wednesday 5th January 2022

Welcome back to the first half of the spring term. We hope you had a wonderful Christmastime together and enjoyed some precious family moments. Thank you for your generous Christmas gifts; your kindness is much appreciated.

Our main topic this half term is called 'Big Adventures with Little Feet'. Our curriculum booklet will be sent home on Friday and will provide you with lots of information about the things we will be learning over the coming weeks.

Designing and Creating Over the half term we will be designing and creating a toy linked to travel. To start off our discussions about this we need to have a look at some existing examples. Please send it to school any of the following items:

- Toys that represent ways of travelling (car, rocket, spaceship, boat ...)
- We need a range of examples including soft toys (teddies/cushions), plastic, metal, room decorations...
- Please bring into school by early next week (10.1.22/11.1.22)

Reading Sharing books (blue reading diary) will be changed daily (providing your child has shared the book with you at home – please sign the diary). Phonics books (yellow reading diary) will come home on Thursday this week after we have had the chance to complete 2 group reading sessions.

As always I will keep you updated in our weekly class letters, through our class page on our school website and photos on Facebook. Don't hesitate to pop in to see me if you have any queries or concerns.

Many thanks,

Mrs A Warren
