## What a Team!

We are always incredibly proud of our team here at St Minver, but this week we are bursting. In our last newsletter we told you that our Year 6 children would sit their SATs tests this week. We asked them to remember their inner confidence and strength and to be mindful of the fact that we know how much more there is to each of them than what has been assessed. We really have been blown away by their positivity – what an inspiring bunch of humans they are! This week has been like any other for Year 6, full of hard work, smiles and laughs, learning and FUN! And to celebrate the end of a challenging week met with resilience and true Team St Minver spirit, Year 6 partied hard this afternoon, with a picnic and a very messy water fight on the field! Well done to every member of our Year 6 team, who are off on a residential trip to Barton Hall next week for more adventures!

All classes are busily preparing for our Jubilee celebrations, which will take place on Friday 27th May. You will have received your invitation via email this week and we very much hope you can join us for our party, to include singing, dancing, artwork and refreshments. Please keep an eye out for sign-up sheets to support us in providing the party food for all. Please let us know if you would like to attend; you can email us at [hello@stminver.org](mailto:hello@stminver.org) or give us a call on 01208 862496, so we know approximate numbers.

Have a great weekend everyone!

## Class Photos

Just a reminder that class photos will be taken next week on Friday 20th May. We will not be taking part in our Active Mile this day so please ensure that the children are smartly dressed in their normal school uniform. We will do a 'Wake and Shake' in place of our running.

## Census Day Lunch

Next **Thursday, 19th May**, will be our termly census. Miss Martin collects and submits data about the profile of our school that day, as a representative example, which then has future funding implications for us. It is especially important that all children in Classes R,1 and 2 are counted for a lunch that day, since we won't get universal lunch funding for the rest of the term for your child if they have a packed lunch on census day, even though you will be entitled to send them for a free lunch any day you wish to. All infant children will be offered something from the server, but may want to supplement this with a small packed lunch if necessary. **Thursday's lunch—Beef Bolognese & Pasta, Veggie Nachos & Wedges with salad**

- **PLEASE LOAD DINNER MONEY ACCOUNTS BEFORE YOUR CHILD HAS A MEAL**

- **WEEK 2 OF THE MENU NEXT WEEK**
