

W/C 15.6.2020 Learning Project - Famous & Significant People
Week 11 Online

Age Range: KS1

Weekly spellings

Year 1

Please work in the usual way on spellings, as last week. Write out the words to learn this week, and ask your child to use the usual 'look, cover, say, write, check' routine to practise writing the words for themselves.

This week's spellings: alternative spellings for the long 'u' sound: ue, split digraph u-e, ew

due
value
queue
statue
tune
cube
amuse
newest
knew
nephew

If you feel brave, try learning ten words this week! They are quite tricky, so learning five is pretty brave too!

Try a little spelling quiz on Friday, to stick to the usual routine!

Please continue to practise 'common exception words' too. The children have now covered all of the words on the Year 1 list, so it's time to revise them all and just keep practising. Refer to the list of words posted on Google Classroom and keep going!

Year 2

Please continue to learn the Year 2 common exception words which can be found in the front of your child's spelling journal. We have covered the 64 words in class that the children need to be able to spell by the end of the year. It is now just a case of revisiting these words and making sure they can spell them and apply them to their independent writing. Please work on the words your child is less confident on. Perhaps focus on 5 words a week.

This week's spellings: Adding the suffixes -less and -ly to the end of words.

badly
happily
lovely
slowly
quickly
hopeless
penniless
joyless
careless
fearless

See Google Classroom on Monday morning for this week's spelling list and some activities linked to these spellings.

Don't forget to try our spelling quiz which will be put onto google classroom on Friday morning. We would love to see how you are getting on learning your spellings. There will be a description linked to each of your spellings so that you can write the correct spelling the description matches.

Please note that if you have already covered this spelling pattern in your spelling

	<p>journal then please continue to work through the spelling rules in your child's spelling journal. Choose one rule to focus on for the week and use the suggested spelling list which matches the rule. This can be found on the accompany A4 sheet that was sent home with the spelling journal.</p>
Weekly Reading Tasks	Weekly Phonics Tasks
<p>Monday- Benjamin Zephaniah is a famous poet from Birmingham. Your child can listen to his poem 'Royal Tea' here. What did your child like about the poem? What did they dislike about the poem? Could they write their own poem about visiting the queen?</p>	<p>Monday- Choose letters that make words from your spelling list or words that can be read on sight. Write the letters in chalk on the ground outside. Give your child a word and they must spell it by jumping from letter to letter. This could also be done by writing the letters on paper inside the house.</p>
<p>Tuesday- Ask your child to explore and find out about one famous/significant person here. Can they read any tricky words? Why is this person important? Can they create a fact file about this person? What would it feel like to be this person?</p>	<p>Tuesday- Your child could visit this interactive game and play Sentence Substitution. Practise your weekly spellings.</p>
<p>Wednesday- Ask your child to re-read their favourite story out loud. Remind them to use expression. Task your child with creating a new book cover for their favourite story or writing an alternative ending!</p>	<p>Wednesday- Mary Seacole and Florence Nightingale are remembered for helping the sick and injured soldiers during the Crimean War. How many adjectives can your child list to describe medical professionals? Can they use these words in sentences?</p>
<p>Thursday- Who was Queen Elizabeth I? Watch this short video and then your child can record what they've learned about this royal. They may also wish to use books or websites to help.</p>	<p>Thursday- 'Kind', 'past', 'improve', 'many' and 'people' are some of the words that children in KS1 need to be able to spell. Can your child use these to write sentences about Mary Seacole or Florence Nightingale?</p>
<p>Friday- Set up an interview where your child can be the interviewer and you can be the famous person (choose from here). Ask them to write down and read back to you some of the things you have said.</p>	<p>Friday- There are live Read Write Inc phonics lessons on Youtube daily. Click here to watch and join in.</p>
Weekly Writing Tasks	Weekly Maths Tasks- Addition
<p>Monday- Once your child has listened to 'Royal Tea' ask them to create a list of questions that they'd like to ask Benjamin Zephaniah about his visit to the palace.</p> <p>Or... Year 1, you could write your weekend news, as we always do on Monday morning! Remember your capitals and full stops! Can you add some wow words? Try to use different sentence openers too.</p>	<p>Monday- Get your child to practise writing their number bonds to or within 10 - e.g. $2 + 7 = 9$ or $3 + 4 = 7$.</p> <p>Y1 Play Pairs – number bonds to 10 Create your own digit cards 0 – 10 Place them face down and pick up 2 at a time. See if you can find the pairs of number which make 10. As an extra challenge use more than 1 set of cards</p> <p>Y2 Practise your number bonds to 10 by playing the game above. As an extra challenge create your own multiples of 10 cards (0- 100) to practise your number bonds to 100 i.e. $0 + 100 = 100$ $10 + 90 = 100$</p>

	White Rose Maths online daily maths lessons Bitesize Maths online daily maths lessons with worksheets CODE Maths Hub Daily Fluency Activities - Day 1 Week 6
Tuesday- Ask your child to write their very own royal adventure story. They can write in role as a king, queen, prince, princess, knight or servant.	Tuesday- Get your child to write the number bonds of numbers within 20 especially those of 10 and above. Then select a number which your child may find it difficult to remember the facts for i.e. 11. Practise your addition skills up to 20 by playing this game White Rose Maths online daily maths lessons Bitesize Maths online daily maths lessons with worksheets CODE Maths Hub Daily Fluency Activities - Day 2 Week 6
Wednesday- When your child has completed their royal adventure story, they can design a cartoon strip to accompany their writing or a front cover for their story.	Wednesday- Encourage your child to write all of the number facts for 20 e.g. $0 + 20 = 20$ progressing up to $20 + 0$. Number Bonds Challenge Then Create your own digit cards 0 - 20 Pick up a card i.e. 13 and write the number sentence inserting the missing amount i.e. $13 + 7 = 20$. White Rose Maths online daily maths lessons Bitesize Maths online daily maths lessons with worksheets CODE Maths Hub Daily Fluency Activities - Day 3 Week 6
Thursday- Year 1 Can your child write a letter, postcard or email to their teacher? They may want to describe what they have been doing at home. They might want to tell their teacher about the things that they are missing about school. Year 2 If you haven't written a letter to your teacher yet and would like to do so please remember to take a photo and send it to homelearning@stminver.org . Remember to put your teacher's name in the subject. If you have written a letter to your teacher then maybe you might like to write a letter to a family member or friend telling them all about what they have been up to. Maybe they could share some interesting facts that they have found out about one of the famous/significant people mentioned below. Samuel Pepys, Queen Elizabeth II, Neil Armstrong, Mary Seacole, Mary Anning or	Thursday- Y1 Number Line Add Up Create your own number line up to 20. Create your own digit cards 0 – 10. Pick up 2 cards and practise adding up the 2 amounts using the number line to help you. i.e $16 + 4 = 20$. Do this practically at first and record your calculations. Y2 Play Add Up Challenge Create your own digit cards – (0 – 6) Pick up 4 cards ie. 4 5 2 3 My calculation is $45 + 23$ Add up using the method selected by your teacher. Play this 5 times – seeing how close to 100 you can get. .

Florence Nightingale.	White Rose Maths online daily maths lessons Bitesize Maths online daily maths lessons with worksheets CODE Maths Hub Daily Fluency Activities - Day 4 Week 6
Friday- Visit the Literacy Shed for this wonderful resource on The Clocktower . Or they could write a description of Buckingham Palace using this image .	Friday- Piet Mondrian is an artist famous for using shape in his art work. Have fun creating creating your own piece of art just like Mondrian. Have a look at this website to give you some ideas! Learning Project - to be done throughout the week

The project this week aims to provide opportunities for your child to learn more about famous or significant people. Learning may focus on past or present inventors, explorers or scientists and how they influence society today.

- **How Important is Mary Seacole?**- Mary Seacole was a Jamaican-born nurse who is remembered for helping soldiers during the Crimean War. Using [this video](#) your child can create a simple timeline of Mary Seacole's life. If this is too challenging, why not ask your child to design an award for Mary Seacole. Your child could also locate Jamaica and Scotland on a world map.
- **Keep them Clean!**- Mary Seacole visited Florence Nightingale, another important nurse, during the Crimean War. Florence Nightingale was known for highlighting the importance of hygiene when caring for the sick, particularly handwashing. Ask your child to create handwashing posters for the home. They might want to make up a jingle or song too!
- **Intriguing Inventions-** Challenge your child to invent something new. Perhaps a new gadget for the home to keep the family entertained, or something that would help a doctor or a nurse. They can draw and label their design and could have a go at making it using things from the recycling box. Could they write instructions on how to build their invention? Share this online using [#TheLearningProject](#) Or on Google Classroom for your teachers to see.
- **The Queen: Then and Now-** What was life like for Queen Elizabeth I? [This video](#) may help your child to understand. How is life different for the current queen, Queen Elizabeth II? They might focus on appearance, family and interests. Ask your child to create a list of the similarities and differences or draw illustrations to show what they have found.
- **A Seriously Significant Somebody-** Who is important to your child? What makes them so important? Your child could draw or paint a portrait of their significant somebody using a photograph or digital image to support them. They may wish to write an information report about this person too!

Mindfulness

Help your child find a quiet space where they can sit comfortably. Encourage them to close their eyes, reminding them they are safe; this is their special mindfulness time which helps to keep their brain and body healthy.
Ask your child to think of a famous person they admire (it could be a superhero or a family member if that is easier) and ask them to think about what they admire / like about that person. Are they strong? Are they kind?

Help your child to turn this into positive affirmation such as 'I am strong', 'I am kind', or 'I am helpful'. Explain to your child they can say these words inside their head every time they take a breath in whilst picturing themselves feeling or acting in this way. Every time they breathe out, they can relax their body a little bit more. Keep breathing and saying the words silently for 2-3 minutes.
Breath in as you say the words in your head.
Breath out and relax.

STEM Learning Opportunities #sciencefromhome

Beulah Henry 1912 – 1970

- Beulah was a famous American inventor who invented over 100 new products. She made several umbrella inventions from clip on covers to special umbrella bags.
- If you were going to design an umbrella what would it look like and what materials would you use?
- Try making a model umbrella using junk box materials you might find at home.

Additional learning resources parents may wish to engage with

- [White Rose Maths](#) online maths lessons.
- [Bitesize Maths](#) online maths lessons
- [Numbots](#). Your child can access this programme with their school login.
- IXL- Click here for [Year 1](#) or here for [Year 2](#) . There are interactive games to play and guides for parents.
- [Y1 Talk for Writing Home-school Booklets](#) and [Y2](#) are an excellent resource to support your child's speaking and listening, reading and writing skills.
