Things to think about...

How is a lie like a potato? Clue: it's quite heavy! Perhaps your child can tell you about Mrs Cox's assembly about Honesty and how it's best to speak up from the outset.

Thank you to all who have dropped back in their parent questionnaires. We've had a good response so far, with some useful feedback that we can definitely use to improve our practice. Please do let us know your views, if you haven't already done so.

Drop-off is a very busy time and we thank you for your punctuality. If you are ever a few minutes late, please do still drive around the school building and find a parking space. We have had several near misses between cars driving around vehicles parked immediately in front of school and cars driving around the corner towards school. Safety is our number one concern.

You may have seen on social media a letter from leaders at a local school warning about a police investigation into child grooming via the online game 'Fortnite'. Fortnite is rated at aged 12, because of the level of violence included. In addition, the PEGI rating given to this game does not take into account its 'chat features.' You may find the NSPCC Net-Aware website www.net-aware.org.uk useful as it gives unbiased, factual descriptions of numerous games and apps. As we do in school, please ensure that you talk regularly with your children about keeping themselves safe on the internet and remain vigilant about their online activity.

We've made an excellent start to this term's After School Clubs, with a very high take up, lots of enthusiasm and high energy levels. Brilliant!

Have a wonderful weekend everyone!

Mrs J Rodwell
Head of School

If your child has signed up to take part in the Wadebridge Festival of Music and Speech, please do start practising their piece with them. The more practice they get the more confident they will feel when they are actually at the festival.

DATES

30/1/19—2nd Round Miller Shield Football Match (home fixture)

22/1/19—First week of Kitson Coaching after school football club Spring Term group

15/3/19—Comic Relief fundraiser

18/3/19—Tennis Competition Y3/4

Week 2 of the menu next week. Don't forget that the menu is available on the school website should you not have your hard copy to hand!

We were pleased that 65 of our 70 infants took a school dinner on Census Day, thank you very much. This number translates directly to money that we will receive in our school budget next year, every penny of this is essential to us all. Thanks to Mrs Richards for producing another delicious meal!

Stars of the week!

We are delighted to confirm that the following children were awarded Star of the Week today!

Class R: Sam Meneer—Consistently doing the right thing & putting great effort into his writing and Gus Holden—showing awareness of others & writing independently in his exploring time

Class 1: Oscar French—Consistently lovely behaviour & always setting a good example and Harriet Richards—Great improvement in Maths

Class 2: Flynt Gill & Jimbob Truelove-Burbridge—Great geography work

Class 3: Harri Tamblyn—Lovely writing and lovely work and Alfie Owen—Always telling the truth & lots of effort in literacy

Class 4: Isla Millar & Jake Wills—Working hard to present their work perfectly using our new handwriting style

Class 5: Amelia Vernon & Nevie Tamblyn—Being really helpful and working hard

Class 6: Ellie Meneer—Always pushing herself to produce the very best and Matthew Sluggett—Showing a mature & conscientious attitude at all times

Mathletes of the week!

We are delighted to confirm that the following children are our mathletes of the week.

Class R: Faith Davis—2,190 points

Class 1: Lexi Couch—2,762 points

Class 2: No scores over 1000 points

Class 3: Tom Carlton-Smith—6,310 points

Class 4: Reuben Couch—1,052 points

Class 5: No scores over 1000 points

Class 6: Daisy Lane—1,060 points

Mathlete of the week is TOM CARLTON-SMITH!!

The top three class scores—

1st place—Class 3—15,611 points

2nd place—Class 1—11,188 points

3rd place—Class 1—2,580 points

Well done to all those who had a go! Come on years 2 and 5, let's see if you can smash it next week!

What a team!

On Wednesday our brilliant footballers were in action again in the Rosewarne Shield competition. This time a home fixture against the power of Newquay Junior.

As ever, they worked brilliantly as a team and tirelessly worked for possession for the whole match showing tremendous resilience. Sadly the result didn't go our way, final score 4-2, but an amazing result when you consider that Newquay Junior have 500 KS2 children to select a team from!

The team will be in action again on Wednesday 30th January in the Miller Shield at home. Kick off 3.30pm.

Active again!

We completed our 2nd Active mile this morning. Lots of fun and everyone getting moving whether that be a walk, a jog or a run around our site. Please remember this is planned for EVERY FRIDAY, so all children to come in wearing plain sporty bottoms. So many late deliveries of kit meant that we couldn't start our run on time today, we plan the run for immediately after registration (weather permitting) so if parents/carers can be away from the site swiftly please then we can close the gates and get moving!

Another eco friendly scheme

The Young Enterprise group from Tretherras School in Newquay are collecting old used wetsuits to turn into primary school bookbags and other environmentally friendly products. It is a nationwide competition across other Young Enterprise Groups and runs until the beginning of February.

So if you have any unwanted, unused, tired wetsuits in your house, shed or garage, please do donate them to this brilliant scheme by dropping them to the office or to Mr Baines (Yr 6). It may help the Tretherras team in the competition as well as being another great way to reuse old wetsuits rather than them finding their way to landfill!

TWO WORDS...

HEAD LICE!!!

Spotted in numerous classrooms this week, they spread like wildfire, so can we please ask that this weekend, you check your child's hair and should you find any unwanted visitors, treat and comb so that next week everyone is in the clear.
