

# St Minver School

Head of School: Mrs J Rodwell

Monday 16<sup>th</sup> May 2022

**This week** we are using the text 'The Very Hungry Caterpillar' to find out about the lifecycle of a butterfly. Our own caterpillars are growing, and we are really intrigued with the 'webs' they are making as they eat up their food! Class R are being challenged to write every day; just a simple sentence but they are blowing us away with their skills and determination!

**Our Jubilee plans** are coming along nicely. The whole school are in good voice, and we are really looking forward to welcoming you into school to celebrate with us. Please keep a look out on our class door to sign up for helping us to provide the refreshments.

**In maths** we are working on numbers to 20. The children are ordering numbers and making sure that they can say which number comes first, what comes next and which number comes last. We are using the story 'Mr Gumpy's Outing' by John Burningham to help with making up number stories.

**Just a short letter** this week but we are so busy in school and the children are all amazing as always!

Please remember to pop in to see me if you have any queries or concerns.

Kind regards,

Mrs A Warren
