

# St Minver School

Head of School: Mrs J Rodwell

Monday 7<sup>th</sup> March 2022

**The children have been excited to** get back to school and return to their learning. This week we are going to learn how to write speech bubbles (to accompany the photos we took of our ladybird on her sound walk around school), develop our understanding of the numbers that can be added together to make 9 and 10, begin to test out drawing like Gustav Klimt and learn a little more about the Easter Story. We have already started our Easter Garden and talked about the role of the donkey and now we will move on to discussing our favourite food (with The Last Supper as a point of reference).

**We will continue to celebrate books** throughout the half term and on the back of World Book Day we would like to invite you into our classroom to share a story with the children. Please reply using the slip below to let us know if you would be able to come into school at **2.30pm on Friday 11<sup>th</sup> March**. It would be lovely for the children to experience a short story sharing session with you if you are able but please do not worry if you cannot attend as there will be plenty of adults for the children to listen to.

**As part of our work on the local area** we would also love to take the children into Wadebridge; to see the river, walk a small section of The Camel Trail, have a picnic lunch and visit the park. Please watch out for some further information regarding that this week as we will need to rely on some parent support for car sharing lifts for it to be possible.

Thank you for your continued support and don't forget to pop in to speak to us if you have any queries or concerns.

Many thanks,

Mrs A Warren
